CIRCULAR

Energy and Power Department, Government of Sikkim, is in the process of changing their postpaid bar-coded electricity bill collection software. Initially, the new software will only cater to Gangtok and Tadong areas.

In the lines of above, all the branches, using the postpaid bar-coded electricity bill collection software are directed to stop receiving the postpaid bar-coded electricity bills for Gangtok and Tadong areas only, w.e.f. 5th August to 16th August 2022.

Collection of postpaid bar-coded electricity bills for other areas is to be continued as usual. For any further clarification, branches may kindly contact Data Centre.
